**MAIL STOP REISSUE**  
P.O. Box 1450

Sir:

**RESPONSE**

This response is submitted in response to the Office action mailed March 26, 2004.

Applicant submits the following documents herewith:

1. A formal drawing showing the original Fig. 4 in brackets and labeled "canceled";  
a formal drawing showing the new Fig. 4 and labeled "amended"; and a complete set of  
formal drawings showing the new Fig. 4 without labels.
2. A Reissue Application Declaration by the Assignee to correct the defective  
declaration identified in the Office action.
3. A Submission of Ownership Interest and Consent to Reissue Application in light  
of the recently recorded assignment.

Applicant believes that the above listed documents address all objections raised by

the Examiner in the Office action of March 26, 2004. Additionally, due to uncertainty regarding the requested form of the corrected drawings, Applicant has submitted a complete set of formal drawings without labels along with the labeled drawing sheets requested by the Examiner in case such a drawing set is necessary or helpful. Applicant has attempted to comply with all the formal requirements of the Office and requests allowance of the pending application.

The Examiner is encouraged to telephone the undersigned with any questions regarding this amendment or if a telephonic interview would in any way advance prosecution of the application.

**CERTIFICATE OF MAILING**
